

St Mary Magdalene with the Church of the Risen Christ, Wyken

Job Description: Missional Apprentice – Worship specific

Job title: Missional Apprentice - Worship

Location: Risen Christ Church, Wyken

Reports to: Revd Sam Millard, Curate

Contract: Fixed term for one year

Context

Risen Christ Church is currently a small, parish church situated in Wyken, in an area of some urban deprivation in Eastern Coventry. The local community has a large population of young families. There are two primary schools (plus one Catholic primary school) and one secondary school in the parish, which we have relationship with. The average Sunday service attendance at Risen Christ, is approximately 40-55 worshippers, including children. Some attendees and their families have been worshipping at the church for many years and, whether they still live in Wyken or not, regard the area and the church as home.

Within the last 3 years, the Diocese has formed a partnership between Risen Christ and St Mark's Coventry, (a city centre resource church), along with significant financial investment from the Church of England Strategic Development Funding (SDF). In the Summer of 2022, St Mark's sent a small team to be "grafted" into the existing Risen Christ congregation with Rev Paul Pavlou as the Plant Leader. St Mark's will also continue to provide various forms of support for Risen Christ throughout the five-year process of revitalisation, ensuring that Risen Christ becomes healthy and resilient, thus able to move forward towards a positive future of growth and self-sustained community engagement.

At the heart of all we do here at Risen Christ we are 'Making Jesus Known in Wyken.' We are a growing Parish Church with a committed community of church members. Our mission is to be a place where we see the transformative power of Jesus at work in people's lives. We live these out through our worship and teaching. The church offers wonderful hospitality to people from across all ages and stages of the local area and we seek to continue to meet the spiritual, emotional and social needs of the community in all we do.

Our Missional Apprentice roles offer an exciting opportunity to be a part of this ongoing work.

For this Worship MA role we are looking for someone who is looking to gain experience while developing their passion, heart and gifting for worship ministry.

Risen Christ has two main services on a Sunday. Our 9.30am is a more traditional service and our 11am service has a more contemporary style. The ability to lead across both styles of worship is an essential feature of the role, and we would be looking for someone who can demonstrate these skills.

We do not have a full-time worship lead at this current time, so you will need to be motivated and show good levels of autonomy. You will be offered regular mentor support through the worship team at our resource church St Mark's Coventry.

You will be responsible for

- Leading worship at our 2 regular Sunday morning services
- Building relationships and growing a worship team
- Production rota
- Looking for ways to develop the worship life of the church

Key Duties

Learning and Leading

The Mission Apprentice role is one of learning, development and empowerment taking the postholder from functioning in a ministry area to leadership in that role. It consists of three main areas:

1. Teaching programme

Participation in the teaching programme is an important component of the year. The programme consists of six modules which are categorised into three broad streams (faith, leadership, and discipleship). The teaching has a particular focus on mission and church planting. The teaching programme is led by St Marks Academy.

2. Personal formation

Throughout the programme, apprentices meet regularly with a personal formation mentor, who will accompany, support and challenge them. The aim is to help each apprentice grow as a disciple of Christ, develop self-awareness, and deepen their spirituality, and students are expected to actively engage with this process. Apprentices will also meet for 1:1 meetings with the

3. Leadership and Strategy

Apprentices spend the majority of their week serving Risen Christ Church within their chosen ministry area. They are given significant responsibility and will have at least one area of leadership within the department. Each apprentice is assigned a ministry placement supervisor (usually the ministry head) who provides coaching, management, and feedback to help apprentices develop strong ministry skills.

Programme

The type of work apprentices are involved in varies between ministry areas, but they normally work with the ministry leader on the delivery of a plan for the area of ministry that may include:

- Helping lead, train, and develop the team
- Planning and running sessions to a high standard

- Experience managing the budget and planning in line with allocated resource
- Helping with administrative tasks required for the department to function
- Involvement may be required in outreach activities to draw people to Jesus and his Church
- Communicating with team members and wider church as required
- Recruiting and developing a team of volunteers, actively envisioning, managing and delegating.
- Collaborating with other ministry areas to ensure alignment to the vision.
- Ensuring that safeguarding is at the forefront of all activity.

Volunteers

Help to recruit, co-ordinate, support, and develop teams of volunteer workers. To that end you will:

- Help other Staff to actively recruit suitable volunteer workers to join various teams within the church.
- Involvement in training to develop their gifting and have fun with our volunteers workers and enable them to be even more effective in their ministry.
- Encourage and celebrate volunteer workers, making them feel a valued part of our church and its ministry.
- Work with the Operation Manager to ensure all volunteer workers are reference-checked, Disclosure Barring Service (DBS)-checked and trained in child protection, in accordance with our Safeguarding policy.

Other work associated with the church

Apprentices are full members of the staff team, and as such need to be flexible enough to be involved in other work as required across the church – in line with their skills, experience and capacity.

Person Specification:

Faith and Education	Essential	Desirable
Personal walk with Jesus including a disciplined life of prayer, underpinning a lifestyle of integrity	✓	
Worshipping and serving in a charismatic evangelical church		✓
Experience		
Use of databases and social media in an organisational environment	✓
